Annual Report

The mission of the Combined Federal Campaign (CFC) is to promote and support philanthropy through a program that is employee focused, cost-efficient, and effective in providing all federal employees the opportunity to improve the quality of life for all.

Give a little. **HELP A LOT.**

**2013 Alaska CFC Campaign Co-Chair:
Beth Pendleton**

Regional Forester, Alaska Region

U.S. Forest Service

Thank you Alaskan federal employees. You did it again! The 2012 CFC campaign was a resounding success. The Alaska CFC raised **\$1,448,589.00**. Even during these economically challenged times, nearly 5,000 employees pitched in and contributed to last year's campaign. We asked for your help; and you came together to "Give a little. HELP A LOT."

Thank you for caring enough to help those who need it most. Your generous contributions to the CFC are put to good use by charitable organizations across our state, our nation, and the globe to help those in need.

As the Alaska 2013 Co-Chair along with Jennifer Wooding of the Federal Aviation Administration, it is a privilege to represent the federal employees of Alaska this year. On behalf of the Alaska CFC and all the people helped by its funded agencies I'm proud to have had the opportunity to work with all of you, and I'm awed by your amazing accomplishments, selfless giving, and your incredibly generous hearts. Thank you for your continued engagement and giving!
